Explanatory Notes

- Resolution 1 - Director Fees And Other Benefits
 Director Fees of RM422,000/- are inclusive of Board Committees Fees of RM142,000/-; and Directors' Other Benefits refer to Directors' and Officers' Liability Insurance coverage based on premium paid/payable and Directors' training benefits of up to an amount of RM56,000/-.

- Resolution 5 - Approval To Continue In Office As Independent Non-Executive Director
 The proposed Ordinary Resolution 5, if passed, will enable YBhg Dato' Rosman bin Abdullah to continue in office as an Independent Non-Executive Director of the Company.

Recommendation 3.3 of the Malaysian Code on Corporate Governance 2012 ("MCCG 2012") provides that approval of shareholders be sought in the event that the Company would like an independent director who has served in that capacity for more than 9 years to continue in office as an independent director.

The Company has in place an Independence of Directors Policy ("ID Policy") as set out in the Statement on Corporate Governance, Risk Management and Internal Control, and an annual assessment is conducted on the independence of independent directors by the Nominating Committee ("NC") and the Board of Directors ("Board") in accordance with the criteria set out in the MMLR and the ID Policy.

Pursuant to the MCCG 2012, the NC and the Board have assessed the performance and independence of YBhg Dato' Rosman bin Abdullah who has served on the Board for more than 9 years and determined that he remains objective and continues to bring independent and objective judgment, based on the following justifications:

- He meets the criteria of "independent director" in accordance with the MMLR and continues to exercise independent judgment in expressing his views and deliberating issues objectively on the conduct of the Group's business and other issues raised at Board and Board Committee meetings.
- He is free from any conflict of interest with the Company.
- The Company benefits from the experience of YBhg Dato' Rosman bin Abdullah who has, over time, gained valuable insight into the Group, its market and the industry.
- His knowledge of the Group's various core business operations during his tenure of office will enable him to discharge his duties effectively.
- He exercises due care and diligence as an Independent Non-Executive Director of the Company and carries out his professional duties in the best interest of the Company and its shareholders.

The Board recognises that independence should not be determined solely based on tenure of service and that the continued tenure of service brings considerable stability to the Board. The Company benefits from the mix of skills, experience and competencies for informed and balanced decision-making by the Board.

Accordingly, the NC and the Board recommend that YBhg Dato' Rosman bin Abdullah continues in office as an Independent Non-Executive Director of the Company.

- Resolution 6 - Authority To Directors To Allot Shares
 The proposed ordinary resolution, if passed, will renew the general mandate given to the Directors of the Company to allot ordinary shares of the Company from time to time and expand the mandate to grant rights to subscribe for shares in the Company, convert any security into shares in the Company, or allot shares under an agreement or option or offer, provided that the aggregate number of shares issued and allotted, to be subscribed under any rights granted, to be issued from conversion of any security, or to be issued and allotted under an agreement or option or offer, pursuant to this resolution does not exceed 10% of the total number of issued shares of the Company for the time being ("Renewed General Mandate"). In computing the aforesaid 10% limit, shares issued or agreed to be issued or subscribed pursuant to the approval of shareholders in a general meeting where precise terms and conditions are approved shall not be counted. The Renewed General Mandate, unless revoked or varied at a general meeting, will expire at the conclusion of the next Annual General Meeting ("AGM") of the Company.

As at the date of this Notice, no new shares in the Company were issued and allotted pursuant to the general mandate given to the Directors at the last AGM held on 25 October 2016 and which will lapse at the conclusion of the Thirty-seventh AGM. The Renewed General Mandate will enable the Directors to take swift action in case of, inter alia, a need to corporate exercises or in the event business opportunities or other circumstances arise which involve the issuance and allotment of new shares, grant of rights to subscribe for shares, conversion of any security into shares, or allotment of shares under an agreement or option or offer, and to avoid delay and cost in convening general meetings to approve the same.

- Resolutions 7 to 10 - Proposed Renewal Of Shareholders' Mandate For Recurrent Related Party Transactions Of A Revenue Or Trading Nature
 The proposed ordinary resolutions, if passed, will empower the Company and/or its subsidiaries to enter into recurrent related party transactions of a revenue or trading nature which are necessary for the day-to-day operations of the Hume Industries Berhad Group, subject to the transactions being in the ordinary course of business and on terms which are not more favourable to the related parties than those generally available to and/or from the public and are not, in the Company's opinion, detrimental to the minority shareholders of the Company ("Proposed Renewal Of Shareholders' Mandate").
 Detailed information on the Proposed Renewal Of Shareholders' Mandate is set out in the Circular to Shareholders dated 3 October 2017 which is despatched together with the Company's Annual Report.
